

Application No. 10/649,805  
Amendment Dated: April 26, 2005  
Reply to Office Action of: January 26, 2005

**REMARKS**

Claims 60-66 are pending. Claims 1-20 are withdrawn. Claims 21-59 are cancelled. The Applicant would like to thank Examiner Butler for taking the time to discuss the pending Office Action on April 12 and 25, 2005.

On Page 3 of the Office Action, the Examiner asserts that Claims 60-66 are indefinite under §112, second paragraph. As discussed with the Examiner April 25, 2005, the above amendments are believed to resolve this concern.

As also discussed, Applicant requests that the references listed in the three Information Disclosure Statements (IDS dated 10/6/00, Resubmission dated 11/19/01 and Supplemental IDS dated 5/7/02) submitted with the original filing of this divisional application be made of record. These references were originally submitted with and made of record for parent Application No. 09/168,783. Applicant also calls to the Examiner's attention to an IDS mailed April 13, 2005, a copy of which is attached hereto. As requested, courtesy copies of these four IDS and form 1449 documents were e-mailed to the Examiner April 25, 2005 as Microsoft "Word" documents for the convenience of the Examiner. Applicant believes the subject claims are patentable over these references.

For the above reasons, Claims 60, 63 and 66, as amended, and Claims 61, 62, 64 and 65 are believed in condition for allowance. The Examiner is requested to contact the undersigned if this will assist in advancing this application to allowance.

Respectfully submitted,
